

# Great Teacher Gift Idea

Are you looking for the perfect holiday gift for your child's teachers? How about a donation to the Ashwaubenon Education Foundation in their honor?

The Ashwaubenon Education Foundation is a volunteer organization that raises funds for the educational enrichment of students in the Ashwaubenon Public Schools. This year the AEF provided full or partial funds for four specific programs. Elementary students will be able to participate in "Camp Smarts" over the summer; Pioneer families will increase their math competencies in two "Family Math Nights"; author Katie McKy was in residence at all three elementary schools in October to increase writing literacy; and Cormier teachers and staff will web-conference with Linda Holliman, a conference which will focus on literacy, writing activities, literature extension and literacy centers. These AEF grants will benefit students above and beyond what the school district supports with tax funds.

Upon receiving your donation, the Foundation will send a note to your child's teacher(s) stating that a contribution has been made by you in their honor (without the dollar amount given), and you will also receive acknowledgement. Teachers will truly appreciate a gift of this kind.

To make a donation, make your check payable to Ashwaubenon Education Foundation, and return it to the school's main office. Or you can mail it to the Greater Green Bay Community Foundation, 310 W. Walnut St., Suite 350, Green Bay, WI 54303. Attach it to the form below. If you'd like to add your own message of thanks or appreciation, we'll be glad to include it in our note to the teacher.
